

FIRE COLLARS FROM **FDG**

FDG OFFER AN APPROVED & CERTIFIED FIRE STOP SYSTEM

FDG and SNAP have partnered to provide unique package of Fire Collars with advanced technology to suit every application.

From our rapid 3 minute closing, spring loaded, FloorWaste and Stack Cast-In Fire Collars, to our flexible wall and floor Pipe Wraps, we can provide you with a fully approved and certified fire stop system for every project.

With Retrofit Fire Collars up to an amazing 315mm diameter, you can safely fire rate even those large PVC and HDPE pipes easily.
